Don't miss this unique opportunity to discover YOUR great adventure! Find it all at the **EXPO Study Abroad**, coming to your city in April!

Speak directly with directors and admissions representatives from educational institutions from all over the world, offering one-of-a-kind programs and destinations, and learn all about the process for studying abroad, from start to finish.

During the EXPO, these admission representatives will offer individual advice and counsel you on the best study abroad options for wherever you'd like to go. Have all your questions answered about language and university courses abroad, airfare, visas, travel insurance, paid jobs, internships and everything else to start your great adventure!

Take advantage of the EXPO to upgrade your life and career and have an unforgettable international experience.
